Party Planning Guide

Thank-you for choosing Bella Ceramics to host your child's birthday celebration! We offer three party packages to suit your requirements. All party packages are fun and creative, with a piece of pottery to paint from a selection provided, and include age appropriate fun party games with prizes.

Arrive at the studio to be greeted by your party host and seated at the party table. Your party host will give full instructions on painting and provide specialist equipment and stencils for older children, ensuring everyone ends up with a piece to be proud of!

We are pleased to be able to offer hot or cold party food on request from a local supplier, or you can provide your own food if you prefer for a £1pp charge. We provide plates, napkins and complimentary sugar-free fruit squash and water for all our party packages.

Parties at Bella's last around 90mins, and up to 2 hours if you are eating in the studio. All you need bring is the kids and a cake!
